## **SUSAN KADIS, M.P. STRONGLY CONDEMNS IRAN'S HOLOCAUST DENIAL CONFERENCE**

**OTTAWA** - Susan Kadis, Liberal M.P. for Thornhill is outraged by the unconscionable Holocaust denial taking place in Teheran, Iran this week. "I strongly condemn the blatant denial of this dark chapter of history in the face of indisputable evidence," said Mrs. Kadis.

"It is particularly disturbing that these revisionists are breeding ignorance; a frightening prospect in the 21<sup>st</sup> century, when if fact what we sorely need is the exact opposite: education." Mrs. Kadis added, "I can only imagine the pain of Holocaust survivors and their families upon hearing this shocking denial of their personal tragedy."
