Susan Kadis, Thornhill MP voices support for Yonge Street Subway Extension

Thornhill – Susan Kadis, M.P. for Thornhill applauds the McGuinty government announcement of its plan to extend the Yonge Street subway north to Highway 7 and into Richmond Hill.

“This significant and long-term commitment to investment in public transit will have an enormous impact on easing traffic gridlock and reducing greenhouse gas emissions in York Region and the GTA,” stated Mrs. Kadis. “The announcement of this integrated transportation network is great news for our community. As a long-time supporter of extending the Yonge Street subway north into York Region and the development of an integrated transportation system, I welcome this change as it will enhance the quality of life for the residents of Thornhill and the entire region,” said Mrs. Kadis.

“The province has stepped up to the plate and now it will be up to the federal government to make a firm commitment for their 25% share. I have already contacted both the Finance Minister and the Prime Minister to ask for their commitment to Ontario and the GTA,” remarked Mrs. Kadis, “and I look forward to their response.”
